Dear KIM FRIESEN:

The motor carrier safety rating for your company is:

SATISFACTORY

This SATISFACTORY rating is the result of a review and evaluation of your safety fitness completed on July 28, 2011. A SATISFACTORY rating indicates that your company has adequate safety management controls in place to meet the safety fitness standard prescribed in 49 C.F.R. 385.5.

Please assure yourself that any specific deficiencies identified in the review report have been corrected. We appreciate your efforts toward promoting motor carrier safety throughout your company. If you have questions or require further information, please contact:
